

ALL-INCLUSIVE PRICING PLAN

The First
All-Inclusive Plan
in Canada!

BNA's new All-Inclusive Pricing Plan offers a single fee approach to card processing services. BNA will apply 2.1% to the monthly credit sales volume, and charge no other fees at all.

The billing method is simple: BNA applies an all-inclusive fee of 2.1% to your monthly VISA and MasterCard volume. There are no other fees applied. BNA's All-Inclusive Pricing Plan includes your payment terminal costs, paper costs, debit, protection against chargebacks, and any and all other fees that other processors apply. All this and next day deposits to bank account.

For 15 years, BNA has provided unparalleled customer service and customer support to hundreds of businesses from a variety of industries. We build relationships with our clients and get to know your business model in order to actively manage your payment processing needs. BNA provides merchants the latest technology with services that are more cost effective than the solutions currently being used.
